Statement of intent

At Dore Primary School, we recognise and value the effort taken by parents and other volunteers who contribute towards our school.

We encourage your assistance and acknowledge that many school activities and processes would be at risk if it were not for your help. As a result, we want to make sure that your time spent in the school is productive and enjoyable.

The development of any volunteer, whether for one day or for a number of sessions over a longer period, must take into account the needs of pupils and the staff to whom they are assigned. We have a duty to ensure that the welfare of pupils is promoted and they are safeguarded from harm.

As a Rights Respecting School, the best interests of the child are a top priority (article 3). It is our focus to ensure that children have the right to a good quality education (article 28) and protection from harm (article 19) and privacy (article 16). This policy sets out the practices and procedures which will allow the above to happen and also be followed when appointing, managing and supervising volunteers, as well as a code of conduct which all volunteers are required to comply with.

Legal framework

1.1.1. This policy has due regard to all relevant legislation and statutory guidance including, but not limited to, the following:

- The Childcare (Disqualification) and Childcare (Early Years Provision Free of Charge) (Extended Entitlement) (Amendment) Regulations 2018
- The Childcare Act 2006
- The General Data Protection Regulation (GDPR)
- The Data Protection Act 2018
- DfE 'Keeping children safe in education' 2018
- DfE 'Disqualification under the Childcare Act 2006' 2018

School regulations

All volunteers will be required to make themselves familiar with school procedures, including the following:

- Child Protection and Safeguarding Policy
- Staff Handbook
- Behavioural Policy
- Acceptable User Policy

Regulated activity

For the purpose of this policy, a volunteer will be engaging in "regulated activity" if they work unsupervised when teaching or looking after children regularly, or provide pastoral care on a one-off basis.

Safeguarding children and child protection

Volunteers will be provided with safeguarding information as determined by the governing board, using a proportional, risk-based approach.

Depending on the level of interaction with a pupil, it may be necessary to obtain a DBS certificate.

The school **is** required to obtain an enhanced DBS certificate if:

- The volunteer intends to carry out activity for the school and it gives the opportunity for **unsupervised** contact with pupils.

The school **is not** required to obtain an enhanced DBS certificate if:

- The volunteer intends to carry out activity for the school and it gives the opportunity for **supervised** contact with pupils.

For volunteers who are not in regulated activity, but who have the opportunity to come into contact with pupils on a regular basis, it is at the discretion of the school to decide whether or not a DBS check is required.

The school will obtain an enhanced DBS certificate, including barred list information, for any volunteer who is new to working in regulated activity.

The school will not obtain barred list information for any volunteer who does not engage in regulated activity. The DBS cannot provide barred list information on any person, including volunteers, who are not in, or seeking to enter into, regulated activity.

The school may decide to conduct a repeat DBS check on any volunteer of whom they hold concerns about.

The school wants to ensure that activities are planned properly and safely, and that volunteers are informed of these plans. We strive to ensure that volunteers have access to a member of school staff, should they wish to discuss difficulties or report on issues that may arise.

All staff, visitors and volunteers are required to be identified and located at all times. For this reason, the following process will be adhered to:

- Sign in and out of the building at the office/reception
- Visitor's badge worn at all times
- The Office staff will be aware of where the volunteers are working, as this will be logged on the School Calendar.

Risk assessments

A decision will be made, when a volunteer applies to the school, as to whether the nature of the work that they will be undertaking (regulated activity) requires an enhanced DBS check. The school will record the details.

The following factors will be taken into consideration when deciding whether to seek an enhanced DBS certificate:

- The nature of the work with the pupils
- The school's knowledge of the volunteer, including any formal or informal information offered by staff and parents
- Whether the volunteer has any other employment or voluntary activities, and where referees can advise of their suitability
- Whether the role is eligible for an enhanced DBS check

Disqualification under the Childcare Act

Any individual who is classified as being disqualified under the Childcare (Disqualification) and Childcare (Early Years Provision Free of Charge) (Extended Entitlement) (Amendment) Regulations 2018 and section 25 of the Childcare Act 2006, is unable to provide any means of childcare provision.

Any volunteer who is directly concerned with the management of childcare provision, or who works with children on a regular basis, whether supervised or not, is covered by these regulations and may be disqualified.

An individual will be classed as disqualified if:

- They have been reported on the DBS Children's Barred List.
- They have been noted as committing certain violent and sexual offences against children and adults.
- They have been refused any provision relating to childcare, or have been prohibited from private fostering.

- They have received certain orders in relation to the care of children.

The school will not employ any volunteer who is classified as being disqualified under the above regulations.

When gathering information to make decisions, the school will ensure that they act proportionately in order to minimise any intrusion into an individual's private life. The GDPR does not prevent an employer from asking questions relating to the suitability of the individual employed on safeguarding grounds.

Supervision

If a volunteer is required to be supervised when undertaking an activity, who would otherwise be in regulated activity if not supervised, the school will ensure that:

- There is supervision by an individual who is in regulated activity.
- The supervision is regular and day-to-day.
- The supervision is reasonable enough within the circumstances to ensure the protection of the pupils.

When determining what supervision is reasonable so that the volunteer would not be in regulated activity, the school will take the following factors into consideration:

- The ages of the pupils, including whether there is a large gap in their ages
- The number of pupils that the individual is working with
- Whether or not there are other staff members present during the activity
- The nature of the volunteer's work and the opportunity for contact with pupils
- How vulnerable the pupils are
- How many staff members would be supervised by each member of supervising staff

Allegations of abuse

Any allegations of abuse, whereby a volunteer is accused of abusing a pupil, will be reported to the Designated Safeguarding lead (Jason Fletcher/ Katy Godfrey)

Should the allegation be made against the headteacher, this will be brought to the attention of the chair of governors immediately.

In any case in which LA children's social care has undertaken enquiries to determine whether the child or children are in need of protection, the headteacher and chair of governors will take account of any relevant information obtained in the course of those enquiries when considering disciplinary action.

If there is no cause to suspect that any significant harm is an issue, but a criminal offence might have been committed, the designated officer (DO) will immediately inform the police and convene a discussion to decide whether a police investigation is needed.

The DO will regularly monitor the progress of all cases, either by reviewing strategy meetings, or by liaising with the police and/or children's social work services colleagues or the school, as appropriate.

Clear, comprehensive records of all allegations are kept even if disciplinary action is not taken or proven.

Confidentiality is maintained whenever an allegation is made; however, there may be a need to share information with relevant agencies on a need-to-know basis.

Allegations of abuse made against volunteers will be dealt with in accordance with the Allegations of Abuse Against Staff Policy.

Health and safety

All volunteers will be required to read the Staff Handbook, prior to them undertaking any activity on behalf of the school.

All volunteers will ensure that they are familiar with emergency procedures, e.g. evacuation, and of any health and safety aspects relating to the activity they will be undertaking, e.g. whilst in a cookery class.

If a volunteer notices any potential hazard which may put another individual at risk of harm, they will report this immediately to the class teacher or a senior member of staff.

Absence

Volunteers are required to inform the school office by 8:00 am if they are unable to attend at the agreed time.

Failure to inform the school office on more than three instances may result in the volunteer being unable to attend the school on any further occasions.

If a volunteer is called away in the event of an emergency while volunteering, they will inform the class teacher or senior leader, and will sign out of the building before leaving the premises.

Confidentiality

Volunteers will be reminded that all information with regards to individual pupils and members of staff is confidential, and that the sharing of data is protected under the Data Protection Act 2018.

Volunteers are not permitted to discuss any confidential information regarding a pupil or member of staff, with any other individual at the school.

Any volunteer who breaches the confidentiality rules will be asked to leave the premises and will not be able to return to undertake any further activity.

There may be instances where a volunteer is required to pass information to a member of staff, such as if they notice a pupil being bullied or subjected to harm.

Volunteers will report any concerns to a member of staff and are instructed not to notify the parents.

Internet use

All volunteers will be required to behave in an ethical and respectful manner with regards to email and internet use, and will be expected to follow the processes outlined in the following school policy, Acceptable User Policy.

Volunteers will have restricted access to the school network and will be instructed on ensuring appropriate use.

If a volunteer has been given a DBS check due to the placement being long term or involving regulated activity, then an individual log-in will be provided.

No volunteers are permitted to make contact with pupils via social media or email, or arrange to meet pupils outside of school.

Monitoring and review

SLT members will review this policy on a two year basis, and will communicate any changes to all members of staff and existing volunteers.

All volunteers will be required to read this policy prior to their attendance at the school.

Volunteer code of conduct

All volunteers are expected to maintain high standards of behaviour and conduct when undertaking any activity at the school.
